

I Watch The Sunrise

I watch the sunrise lighting the sky,
Casting its shadows near.
And on this morning bright though it be,
I feel those shadows near me.

But you are always close to me
Following all my ways.
May I be always close to you
Following all your ways, Lord.

I watch the sunlight shine through the clouds,
Warming the earth below.
And at the mid-day, life seems to say:
I feel your brightness near me.

For you are always close to me
Following all my ways.
May I be always close to you
Following all your ways, Lord.

I watch the sunset fading away,
Lighting the clouds with sleep.
And as the evening closes its eyes,
I feel your presence near me.

For you are always close to me
Following all my ways.
May I be always close to you
Following all your ways, Lord.

I Watch The Sunrise

**I watch the moonlight guarding the night,
Waiting till morning comes.
The air is silent, earth is at rest
Only your peace is near me.**

**Yes, you are always close to me
Following all my ways.
May I be always close to you
Following all your ways, Lord.**
