

When We Lose A Loved One

When we lose a loved one
Our world just falls apart
We think that we cant carry on
With this broken heart
Everything is different now
You're upset and you're annoyed
Your world it seems is shattered
There's such an awful void
There's got to be a reason
And we have to understand
God made us and at any time
Hell reach down for our hand
There might not be a warning
We won't know where or when
The only thing were certain of
Is well meet them once again.
