### Your Mother Is Always With You

She's the whisper of the leaves  
as you walk down the street,  
she's the smell of certain foods  
you remember, flowers you pick,  
the fragrance of life itself.

She's the cool hand on your brow when  
you're not feeling well,

she's your breath in the air on a cold winter's day.

She is the sound of the rain that lulls you to sleep,  
the colours of a rainbow,  
she is Christmas morning.

Your mother lives inside your laughter.

She's the place you came from, your first home,  
and she's the map you follow with every step you take.

she's your first love, your first friend,  
even your first enemy, but nothing on earth can separate you.

Not time, not space, not even death.

## POEM

No Pain Beyond

read by Emma

No pain beyond, no tears nor fear.  
No thought of death - for I'm still near.  
No hugs I know, nor sweet caress,  
But I'm still close to love and bless.  
No quiet word, no gentle touch,  
But don't despair - I love you much.  
No gesture kind to show I care;  
The veil is drawn, but I'm still there.  
Grieve not too long - but look around,  
In earthly things I shall be found;  
A falling leaf, a growing tree,  
In every breeze you will feel me.  
I walk in life, death holds no pain.  
Be reassured, we'll meet again.
