I Watch The Sunrise

I watch the sunrise lighting the sky, casting its shadows near.
And on this morning, bright though it be, I feel those shadows near me.

*But you are always close to me, following all my ways.
May I be always close to you, following all your ways, Lord.*

I watch the sunlight shine through the clouds, warming the earth below.
And at the mid-day, life seems to say: 'I feel your brightness near me.'

*For you are always close to me, following all my ways.
May I be always close to you, following all your ways, Lord.*

I watch the sunset fading away, lighting the clouds with sleep.
And as the evening closes its eyes, I feel your presence near me.

*For you are always close to me, following all my ways.
May I be always close to you, following all your ways, Lord.*

I watch the moonlight guarding the night, waiting till morning comes.
The air is silent, earth is at rest only your peace is near me.

*Yes, you are always close to me, following all my ways.
May I be always close to you, following all your ways, Lord.*
