WELCOME

OPENING WORDS

POEM
Smile
Spike Milligan

Smiling is infectious,
you catch it like the flu;
when someone smiled at me today,

I started smiling too.

I passed around the corner
and someone saw my grin.

When he smiled, I realized

I'd passed it on to him.

I thought about that smile,
then I realized its worth.

A single smile, just like mine,
could travel round the earth.

So, if you feel a smile begin,
don't leave it undetected.

Let's start an epidemic quick,
and get the world infected!
