WELCOME

POEM

Not, How Did He Die, But How Did He Live?

Not, how did he die, but how did he live?
Not, what did he gain, but what did he give?
These are the units to measure the worth
Of a man as a man, regardless of his birth.
Nor what was his church, nor what was his creed?
But had he befriended those really in need?
Was he ever ready, with words of good cheer,
To bring back a smile, to banish a tear?
Not what did the sketch in the newspaper say,
But how many were sorry when he passed away?

A sunset over a beach with waves crashing onto the shore. The sky is filled with soft, golden clouds, and the sun is low on the horizon, casting a warm glow over the scene. The beach is sandy and the waves are white with foam.

FAREWELL TO MARC

POEM
The Road Not Taken
by Robert Frost

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveller, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I -
I took the one less travelled by,
And that has made all the difference.
