Words of Welcome

Words of Inspiration

There is no death - tell out the mighty message.

There is no death – go tell it far and wide;
what men call death is but a simple crossing,
over life’s river, to the other side.

There is no death – O blessed words of comfort,
to lighten sorrow’s darkening clouds o’erhead.
With gentle whisper, when our tears are falling,
to tell us that our loved ones are not dead.

There is no death – for just across the border,
we shall soon meet our loved ones face to face;
with words of love and memory unbroken,
we hold communion in that happy place.

There is no death – the spirit world around us
proclaims the joyful news to sons of Earth;
when time shall bring the soul’s emancipation,
call it not death, but rather second birth.

A Blessing for Linda

May your journey be safe and sure,
may the way ahead be gentle for you
and may you find happiness along the way,
and on your own terms,
may you find your own place and peace among the stars.
