WELCOME AND OPENING WORDS

I'm the first bright blossom you'll see in the spring,
The first warm raindrop that April will bring.
I'm the first ray of light when the sun starts to shine,
And you'll see that the face in the moon is mine.

When you start thinking there's no one to love you,
You can talk to me through the Lord above you.
I'll whisper my answer through the leaves on the trees,
And you'll feel my presence in the soft summer breeze.

I'm the hot salty tears that flow when you weep
And the beautiful dreams that come while you sleep.
I'm the smile you see on a baby's face.
Just look for me, friend, I'm every place!

POEM

I'm Still Here

Friend, please don't mourn for me.
I'm still here, though you don't see.
I'm right by your side each night and day
And within your heart I long to stay.

My body is gone but I'm always near.
I'm everything you feel, see or hear.
My spirit is free, but I'll never depart
As long as you keep me alive in your heart.

I'll never wander out of your sight –
I'm the brightest star on a summer night.
I'll never be beyond your reach –
I'm the warm moist sand when you're at the beach.

I'm the colourful leaves when fall comes around
And the pure white snow that blankets the ground.
I'm the beautiful flowers of which you're so fond,
The clear cool water in a quiet pond.

POEM

Feel No Guilt In Laughter

Feel no guilt in laughter, he'd know how much you care.
Feel no sorrow in a smile that he is not here to share.
You cannot grieve forever; he would not want you to.
He'd hope that you could carry on the way you always do.
So, talk about the good times and the way you showed you cared,
The days you spent together, all the happiness you shared.
Let memories surround you, a word someone may say
Will suddenly recapture a time, an hour, a day,
That brings him back as clearly as though he were still here,
And fills you with the feeling that he is always near.
For if you keep those moments, you will never be apart
And he will live forever, locked safely within your heart.
