Feel No Guilt In Laughter

Feel no guilt in laughter, he knows how much you care,
Feel no sorrow in a smile that he's not there to share.
You cannot grieve forever, he wouldn't want you to,
He'd hope that you would carry on, the way you always do.
So talk about the good times and the way you showed you cared,
The days you spent together, all the happiness you shared.
Let memories surround you, a word someone may say
Will suddenly recapture a time, an hour, a day,
That brings him back as clearly as though he still were here
And fills you with the feeling that he is always near.
For if you keep those moments you will never be apart
And he will live forever, locked safe within your heart.
