Welcome and Opening Words

Poem

Friendliness

It's a wonderful feeling to open your eyes,
Hear the sounds of the morning, see the blue skies,
Get dressed and go walking, to greet the new day,
Be pleasant to others as you go on your way.

Help someone along, do a good turn:
You don't have to be rich and have money to burn,
To make people happy, make someone smile,
Show pleasure to see them, for that little while.

Walk like a man, upright and square,
Spread friendship around, you've plenty to spare!
If you search in your heart, you'll find some around:
Give it to others and new friends you've found.

Don't tell them your sorrows, or they'll be sad too,
For those very sorrows belong only to you.
Just sow bags of happiness on life's stony highway,
And you'll reap your rewards, at the end of the day.

Words from the Family

Words of Encouragement

Committal and Farewell

If Tears Could Build A Stairway

If tears could build a stairway,
and memories were a lane.
We would walk right up to Heaven
and bring you back again.

No farewell words were spoken,
No time to say "Goodbye".
You were gone before we knew it,
and only God knows why.

Our hearts still ache in sadness,
and secret tears still flow.
What it meant to lose you -
No one will ever know.

But now we know you want us
to mourn for you no more;
To remember all the happy times
life still has much in store.

Since you'll never be forgotten,
We pledge to you today~
A hollowed place within our hearts
is where you'll always stay.
