WORDS OF WELCOME

WORDS OF INSPIRATION

Among The Stars

Carl Sagan

We are all made of stardust.
From the stars we came and one day
to the stars we shall return.

In the vast oceans of the universe
on this tiny blue dot we call Earth,
rests all the hopes, the dreams and ambitions
of every man, woman and child
who has ever been born.

It is a truly marvellous consideration,
that each of us is part of this majestic wonder
and the stardust within us all
will be born again in another bright shining sun.

Therefore,
we are destined to shine amongst the stars forever.
