WELCOME AND INTRODUCTION

POEM

Think of me as one at rest,
For me you should not weep.
I have no pain, no troubled thoughts,
For I am just asleep.

The living, thinking me that was
Is now forever still,
And life goes on without me now,
As time forever will.

If your heart is heavy now
Because I've gone away,
Dwell not long upon it, friend,
For none of us can stay.

Those of you who liked me,
I sincerely thank you all,
And those of you who loved me,
I thank you most of all.

And in my fleeting lifespan,
As time went rushing by,
I found some time to hesitate,
To laugh, to love, to cry.

Matters it now if time began,
If time will ever cease?
I was here, I used it all,
And now I am at peace.

TIME FOR REFLECTION

Music: The Parting Glass

POEM

I'd like the memory of me to be a happy one.
I'd like to leave an afterglow of smiles when life is done.
I'd like to leave an echo, whispering softly down the ways,
Of happy times and laughing times and bright and sunny days.
I'd like the tears of those who grieve to dry before the sun
Of happy memories that I leave when life is done.
