The New World To Come

You gave no-one a last farewell, nor ever said goodbye.  
You were gone before we knew it, and only God's word explains why.  
A million times we will miss you, a million times we will cry.  
If love alone could have saved you, you never would have died.  
In life we loved you dearly, in death we love you still.  
In our hearts you hold a place no-one else can fill.  
It broke our hearts to lose you, but you didn't go alone,  
For part of us went with you, our hearts now ache and groan.  
We will meet again some day I know in a better place  
You made our family so complete while you were here on earth.

Adrian's family wishes to express their heartfelt appreciation  
for the warm love and support you have shown them at this difficult time,  
and for the many cards, personal visits and  
messages of sympathy they have received. Thank you.
