She is Gone by David Harkins

You can shed tears that she is gone

Or you can smile because she has lived

You can close your eyes and pray that she will come back

Or you can open your eyes and see all that she has left

Your heart can be empty because you can't see her

Or you can be full of the love that you shared

You can turn your back on tomorrow and live yesterday

Or you can be happy for tomorrow because of yesterday

You can remember her and only that she is gone

Or you can cherish her memory and let it live on

You can cry and close your mind, be empty and turn back

Or you can do what she would want; smile, open your eyes, love and go on.

### Reading

The Lord is my shepherd, I lack nothing.  
He make me lie down in green pastures,  
He leads me beside quiet waters,  
He refreshes my soul.

He guides me along the right paths for his name's sake.

Even though I walk through the darkest valley,

I will fear no evil, for you are with me;

Your rod and your staff, they comfort me.

You prepare a table before me, in the presence of my enemies.

You anoint my head with oil, my cup overflows.

Surely your goodness and love will follow me all the days of my life,

And I will dwell in the house of the Lord forever.

Mamma Mia!

I've been cheated by you since I don't know when  
So I made up my mind, it must come to an end  
Look at me now, will I ever learn?  
I don't know how but I suddenly lose control  
There's a fire within my soul  
Just one look and I can hear a bell ring  
One more look and I forget everything, o-o-o-oh

Mamma mia, here I go again  
My my, how can I resist you?  
Mamma mia, does it show again?  
My, my, just how much I've missed you  
Yes, I've been broken-hearted  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really know,  
My my, I could never let you go.

I've been angry and sad about the things that you do  
I can't count all the times that I've told you we're through  
And when you go, when you slam the door  
I think you know that you won't be away too long  
You know that I'm not that strong.

Just one look and I can hear a bell ring  
One more look and I forget everything, o-o-o-oh

Mamma mia, here I go again  
My my, how can I resist you?  
Mamma mia, does it show again?  
My, my, just how much I've missed you  
Yes, I've been broken-hearted  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really know,  
My my, I could never let you go.  
Mamma mia, even if I say  
Bye bye, leave me now or never  
Mamma mia, it's a game we play  
Bye bye doesn't mean forever.

Mamma mia, here I go again  
My my, how can I resist you?  
Mamma mia, does it show again?  
My, my, just how much I've missed you  
Yes, I've been broken-hearted  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really know,  
My my, I could never let you go.  
Mamma mia, now I really know  
My my, I could never let you go.
