WORDS OF WELCOME, TO LOVED ONES AND FRIENDS

WORDS OF INSPIRATION
Tough As Old Boots - Mary Smith

Does anyone know of a person
determined and set in her ways?
Can anyone think of a woman
stubborn as a mule some days?
Well, there is a certain mother,
tough as old boots in her time,
and we're going to recall some, but not all,
of her qualities in this rhyme.
Now she loved her children dearly
and they came before any other,
but when they were grown
with families their own,
she still let them know who's mother!
She would give her right arm to help them,
stood by them their whole lives through,
but she only saw things in black and white
and could argue black was blue.
She wasn't a doting mother,
not given to fancy finesse,
but if anyone threatened her family,
she became a lioness!
Though awkward and fussy at certain times,
we wouldn't change her for any other.
She was steadfast, protective, and tough as old boots;
she was our beloved mother.
