## POEM by Wendell Berry

Within the circle of our lives  
we dance the circle of the years,  
the circles of the seasons  
within the circles of the years,  
the cycles of the moon  
within the circles of the season,  
the circles of our reasons  
within the cycles of the moon.

Again, again we come and go,  
changed, changing. Hands  
join, unjoin in love and fear,  
grief and joy. The circles turn,  
each giving into each, into all.  
Only music keeps us here,

each by all the others held.  
In the hold of hands and eyes  
we turn in pairs, that joining  
joining each to all again.  
And then we turn aside, alone,  
out of the sunlight gone  
into the darker circles of return.
