POEM

Daddy

from Jasmine and Poppy

What's Micky without Minnie?
What's Piglet without Pooh?
What's Donald without Daisy!
That's us without you..

We will always be your little girls,
Whoever we grow up to be..
We will always remember you holding our hands
and always looking out for us.

We will never forget our special days,
No matter how big we grow
and all of the fun we have..
Daddy we love you so.

You're are real life superhero,
and we look up to you with all our heart.
Daddy's little princesses
right from the very start.

This is for you, Daddy from Jasmine and Poppy.

We won't say goodbye.
We will look for you in rainbows way up in the sky,
we will look for you and love you.
Just as you loved us...

POEM
from Daddy, to Jasmine and Poppy

My precious little girls,
Jasmine and Poppy.

I watch you everyday,
I am always very near,
I know deep down in your hearts you realise I am here..
I watch you while you sleep while you're in your bed at home.
I hear you when you speak to me when you're on your own.

You cannot understand the reason why I have gone,
but I will never leave you,
I am there to keep you strong.

Talk to me I hear you
Though you may not see
We share an unbroken bond
That will always be..

Our love is forever just remember in your hearts..
Live your life and live it full don't waste a single day..

Remember
I am always with you every step of the way.

I won't say goodbye
Look for me in rainbows way up in the sky..
Look for me and love me just as I loved you.

My Jammy and Pops,
Daddy loves you.
