Walking With The Dogs Again...

Leads on first, then off we go  
To meet our friends at our favourite meadow,  
Across Rainbow Bridge, through the gate.  
Leads off now - this is great!

Through the trees with sniffs galore,  
Up the hill to have an explore,  
Chasing around in sand and mud,  
Getting as dirty as we could.

David chats to friends while Judy and Suzie play;  
They've all had a brilliant day.  
Lots of whistles and lots of treats,  
But life's long walk is now complete.

Their new home, all three all worn out,  
Content with memories of a farewell shout;  
Snuggled to David, they're dry and warm,  
Together forever from dusk till dawn.
