Memories of Mum by Ronnie**

Poem from Lisa

Mum dearest you will always be
Our mother so loved by my brother and me
For God has taken you to be by his side
Now in Heaven is where you reside

You have blessed our lives in so many ways
We will cherish our memories until the end of our days
You left us too soon and this was not part of our plan
But God's wishes always come before those of man.

Without you we must travel the path alone
No longer our guide, the way you had shown
Your heart my have been weak, but you were so strong
For your loving embrace we will always long

God sent you to us as a special gift from above
To teach us life's lessons and shower us with love
We will always remember your smiling face
In our heart you will always have a very special place

A special bond we shared like no other
For this is possible for only child and Mother
I thanked God for each day we were able to share
But without you in our life it is difficult to bear

Being with God, we hope you find peace
In this we can find comfort and some happiness at least
For Mum dearest you will always be
Our Mother so loved by my brother and me.
