## INTRODUCTION AND WELCOME

**POEM**

To Those Whom I Love And Those Who Love Me

When I am gone, release me, let me go.  
I have so many things to see and do.  
You mustn't tie yourself to me with too many tears,  
But be thankful we had so many good years.  
I gave you my love, and you can only guess  
How much you've given me in happiness.  
I thank you for the love that you have shown,  
But now it is time I travelled on alone.  
So grieve for me a while, if grieve you must,  
Then let your grief be comforted by trust.  
It is only for a while that we must part,  
So treasure the memories within your heart.  
I won't be far away for life goes on  
And if you need me, call and I will come.  
Though you can't see or touch me, I will be near  
And if you listen with your heart, you'll hear  
All my love around you, soft and clear.  
And then, when you come this way alone,  
I'll greet you with a smile and a 'Welcome home.'

**FINAL WORDS OF FAREWELL**

**POEM**  
She Is Gone

You can shed tears that she is gone,  
Or you can smile because she has lived.  
You can close your eyes and pray that she will come back,  
Or you can open your eyes and see all that she has left.  
Your heart can be empty because you can't see her,  
Or you can be full of the love that you shared.  
You can turn your back on tomorrow and live yesterday,  
Or you can be happy for tomorrow because of yesterday.  
You can remember her and only that she is gone,  
Or you can cherish her memory and let it live on.  
You can cry and close your mind,  
Be empty and turn your back,  
Or you can do what she would want:  
Smile, open your eyes, love and go on.
