*The Angel Song - Slim Whitman*

When the angels turn the lights on in heaven tonight  
And hang out the stars in the blue  
When you see that first star through your window tonight  
I'll be thinking my darling of you  
Starlight star bright up in the blue  
I wish tonight I could be with you  
When the angels turn the lights on in heaven tonight  
And hang out the stars in the blue  
Starlight star bright up in the blue  
I wish tonight I could be with you  
When the angels turn the lights on in heaven tonight  
And hang out the stars in the blue  
And hang out the stars in the blue

*Maggie - Foster & Allen*

I wandered today to the hills, Maggie  
To watch the scene below  
The creek and the creaking old mill, Maggie  
As we used to long, long ago

The green grove has gone from the hills, Maggie  
Where first the daisies sprung  
The creaking old mill is still, Maggie  
Since you and I were young

Oh, they say that I'm feeble with age, Maggie  
My steps are much slower than then  
My face is a well written page, Maggie  
And time all alone was the pen

They say we have outlived our time, Maggie  
As dated the song that we've sung  
But to me you're as fair as you were, Maggie  
When you and I were young

They say we have outlived our time, Maggie  
As dated the song that we've sung  
But to me you're as fair as you were, Maggie  
When you and I were young  
When you and I were young

*Ann*
