Ade's personal request

*Every day of our married life, you told me you love me.
After your stroke, when words were difficult to find, you still managed
those three special words. I love you.*

You have been my best friend, my lover and protector.

*When visitors were few and far between, the love of our family helped
and supported you through your illness. This was the time you and I found
a special contentment and when we loved each other the most.*

*I cannot imagine my life without you. Fly high, my brave, beautiful man.
I love you, Anita.*

Anita and family would like to thank you for coming to say your final goodbye to Ade. We will be having a private goodbye for family and friends who loved and supported Ade over the last two years.

Donations, if desired, may be made to
The Children's Cancer Ward, Derby.
