POEM

Letter From Heaven
read by Stephen and Laura

When tomorrow starts without me
And I'm not here to see,
If the sun should rise and find your eyes
Filled with tears for me.

I wish so much you wouldn't cry
The way you did today
While thinking of the many things
We didn't get to say.

I know how much you love me,
As much as I love you,
And each time you think of me,
I know you'll miss me, too.

When tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right there in your heart.

POEM

The Moment That You Left Me
from Irina, read by Tom Gribby

The moment that you left me, my heart was split in two;
One side was filled with memories, the other side died with you.
I often lay awake at night, when the world is fast asleep,
And take a walk down memory lane with tears upon my cheek.
Remembering you is easy, I do it every day;
But missing you is a heartache that never goes away.
I hold you tightly within my heart and there you will remain,
You see, life has gone on without you but will never be the same.

POEM AS GATES CLOSE

Love Goes On
read by Paul Wells

Today is not the end, for love goes on
And you will find the evidence long after I have gone.
The flowers that I planted will blossom without end,
You'll find me in their beauty as to their needs you tend.
The books we read together, the laughter in the pages
Will continue to give pleasure to you throughout the ages.
So do not mourn my passing, you are not left alone,
You'll always find me waiting in the places we have known.
The bond we had between us will not abate with time,
It will go on for always; I'm yours and you are mine.
