### REMEMBER ME AS I USED TO BE

Remember me as I used to be, not as you last saw me  
Recall the days of happy times... Spent with me in the past  
Instead of tears for what might have been, smile for all we shared  
A life of happiness... Made so because you cared  
And next time you see a rose bloom or hear a blackbird's song  
Remember me as I used to be.... In days when I was strong  
I would not wish for you to grieve, for the person I had become  
Instead, relive those memories of days when I was young  
So remember me as I used to be, not as you saw me last  
And keep me close in memory ..... in your present and in your past

### OUR HERO

You held our hands, when we were small, you caught us when we fell.  
You're the hero of our childhood..... and our later years as well.  
And every time we think of you, our hearts still fill with pride.  
Though we'll always miss you Dad, we know you're by our side.  
In Laughter and in sorrow, in sunshine and in rain  
We know you're watching over us ..... Until we meet again

### THE LORDS PRAYER

Our Father, who art in heaven, hallowed be thy name;  
thy kingdom come; thy will be done; on earth as it is in heaven.  
Give us this day our daily bread. And forgive us our trespasses,  
as we forgive those who trespass against us.  
And lead us not into temptation; but deliver us from evil.  
For thine is the kingdom, the power and the glory,  
for ever and ever. Amen.

### LOOK FOR ME IN RAINBOWS

Time for me to go now, I won't say goodbye;  
Look for me in rainbows, way up in the sky.  
In the morning sunrise when all the world is new,  
Just look for me and love me, as you know I loved you.

Time for me to leave you, I won't say goodbye;  
Look for me in rainbows, high up in the sky.  
In the evening sunset, when all the world is through,  
Just look for me and love me, and I'll be close to you.  
It won't be forever, the day will come  
and then my loving arms will hold you,  
when we meet again.

Time for us to part now, we won't say goodbye;  
Look for me in rainbows, shining in the sky.  
Every waking moment, and all your whole life through  
Just look for me and love me, as you know I loved you.  
Just wish me to be near you,  
and I'll be there with you.
