TRIBUTES TO JODIE

WORDS

by Patricia

I met Jodie nearly seven years ago when she and my son Zeke came and stayed with me at my bungalow.

She was happy-go-lucky and enjoyed going to the parties my daughter Zoe held for Christmas and birthdays.

She was the life and soul of the party and always fantastically dressed.

Jodie was a fighter and very brave, she is in my thoughts every day and in my heart forevermore.

PERSONAL REFLECTION

WORDS

by Zeke

My Princess, My World and My Eternity

We found each other walking through life, we found each other.
Like a bolt of lightning, we knew what we had both found in each
other a warmth, a caring, an understanding, a feeling of truth
without doubt, an all-round warmth of pure bliss everlasting.

This is what we found and lived in each other.

My Princess was the missing piece of my life that made me whole,
complete and at peace, like the sun she brought so much warmth to
me, a radiance so strong, you couldn't help but be magnetised by it.

Bright like the sun, beautiful like a butterfly, free like a bird,
I feel privileged in my life to have met and loved someone so special,
and filled with so much warmth, love and affection.

Jodie, Princess, I realise only now that you found your purpose
in life, to find someone that brings you warmth, caring and
understanding to you in your life, like you did to others.

I was your knight, your rock, your shoulder, your lover and of
course your best friend.

You found pure happiness in the end and your purpose was
accomplished my Princess.

Go now, my Princess, go fly away to a never-ending cloud of
warmth, happiness and understanding.

You will be forever MY LADY (Jodie Louise Harper).

WORDS

by Jodie (in the first year of our relationship – 2012)

You are my life now and forever.
Through the good and the bad, no matter the weather
I will always love your smile, your warm and loving ways.
I can't wait to be your wife; I just count down the days
When Marley comes along, I know it will be perfect,
No matter what happens, it will all be worth it.
Forever and ever, until death do us part,
'Cause you are my world, my love, my heart.
I am never happier than when I'm with you,
'Cause you are my 'Boo' and I LOVE YOU.
Forever and always, your Babygirl XX
