WELCOME

THE JOURNEY OF MY LIFE

It was beautiful as long as it lasted, the journey of my life.

I have no regrets whatsoever
save the pain I'll leave behind.

Those dear hearts who love and care ...
and the strings pulling at the heart and soul ...

The strong arms that held me up
when my own strength let me down.

At every turning of my life I came across good friends,
friends who stood by me
even when time raced by me.

Farewell, farewell my friend.

I smile and bid you goodbye.

No, shed no tears for I need them not.

All I need is your smile.

If you feel sad do think of me for that's what I'll like.

When you live in the hearts of those you love
remember then, you never die.

Rabindranath Tagore

INSTRUCTIONS

When I have moved beyond you in the adventure of life,
Gather in some pleasant place and there remember me

With spoken words, old and new.

Let a tear if you will, but let a smile come quickly

For I have loved the laughter of life.

Do not linger too long with your solemnities.

Go eat and talk, and when you can;

Follow a woodland trail, climb a high mountain,

Walk along the wild seashore,

Chew the thoughts of some book

Which challenges your soul.

Use your hands some bright day

To make a thing of beauty

Or to lift someone's heavy load.

Though you mention not my name,

Though no thought of me crosses your mind,

I shall be with you,

For these have been the realities of my life for me.

And when you face some crisis with anguish.

When you walk alone with courage,

When you choose your path of right,

I shall be very close to you.

I have followed the valleys,

I have climbed the heights of life.
