Feel No Guilt In Laughter

Feel no guilt in laughter,
She'd know how much you care.

Feel no sorrow in a smile
That she is not here to share.

You cannot grieve forever,
She would not want you to.
She'd hope that you could carry on

The way you always do.

So talk about the good times
And the ways you showed you cared,

The days you spent together
All the happiness you shared.

Let memories surround you,

A word someone may say

Will suddenly recapture

A time, an hour, a day

That brings her back as clearly

As though she were still here,

And fills you with the feeling

That she is always near.

For if you keep these moments

You will never be apart

And she will live forever,

Locked safely within your heart.
