HYMN

Abide With Me by Audrey Assad

Abide with me; fast falls the eventide;
The darkness deepens; Lord, with me abide!
When other helpers fail, and comforts flee,
Help of the helpless, O abide with me.

Swift to its close ebbs out life's little day;
Earth's joys grow dim, its glories pass away;
Change and decay in all around I see;
O Thou who changest not, abide with me.

I fear no foe with Thee at hand to bless;
Ills have no weight, and tears no bitterness.
Where is death's sting? Where, grave, thy victory?
I triumph still, if Thou abide with me.

Hold Thou Thy cross before my closing eyes;
Shine through the gloom, and point me to the skies:
Heaven's morning breaks, and earth's vain shadows flee;
In life, in death, O Lord, abide with me!
Abide with me, abide with me.

Henry Francis Lyte (1793-1847)
