WELCOME

POEM OF LIFE

Life is but a stopping place,
A pause in what's to be,
A resting place along the road,
To sweet eternity.
We all have different journeys,
Different paths along the way,
We all were meant to learn some things,
But never meant to stay.
Our destination is a place
Far greater than we know;
For some, the journey's quicker,
For some, the journey's slow.
And when the journey finally ends,
We'll claim a great reward
And find an everlasting peace
Together with the Lord.

A serene sunset over a beach. The sun is low on the horizon, casting a warm, golden glow across the sky and the water. The sky is filled with soft, wispy clouds, and the ocean waves are gently crashing onto the sandy shore. The overall mood is peaceful and reflective.

CLOSING WORDS

POEM

I Was Loved, Therefore I Am

I was loved, therefore I am,
And in being loved, I am treasured.

When I peeled away my layers,
And all that was left was my essence,

The bareness of me,

I was still loved.

I was loved, therefore I am,
And in being loved I was able to grow.

In my mistakes held,

In my successes celebrated,

I was always loved.

I was loved therefore I am,
And in being loved I learned to love.

In the sun-filled day,

In the ecstasy of the night,

I was loved and loved others.

To be loved is all you need:

I was loved... and so, I will always be.

A wide-angle photograph of a beach at sunset. The sun is a bright, glowing orb in the center of the sky, surrounded by soft, golden clouds. The sky transitions from a pale yellow near the horizon to a deeper orange and pink at the top. The ocean is a mix of blue and white, with waves breaking onto a sandy beach. The sand is a light, warm tone, and the overall atmosphere is peaceful and serene.
