## *Memories of Bob's Life*

Music: 'Love Changes Everything'  
Michael Ball

Love, love changes everything,  
Hands and faces, earth and sky;  
Love, love changes everything,  
How you live and how you die.  
Love, can make the summer fly  
Or a night seem like a lifetime;  
Yes love, love changes everything,  
Now I tremble at your name,  
Nothing in the world will ever be the same.

Love, love changes everything,  
Days are longer, words mean more;  
Love, love changes everything,  
Pain is deeper than before.  
Love will turn your world around  
And that world will last forever;  
Yes love, love changes everything,  
Brings you glory, brings you shame,  
Nothing in the world will ever be the same.

Off into the world we go,  
Planning futures, shaping years;  
Love bursts in and suddenly  
All our wisdom disappears.  
Love makes fools of everyone;  
All the rules we made are broken.  
Yes love, love changes everyone,  
Live or perish in its flame.  
Love will never, never let you be the same;  
Love will never, never let you be the same.
