*Forever in our hearts and memories*

*Her journeys just begun,  
don't think of her as gone away,  
her journeys just begun.  
Life holds so many facets,  
this earth is only one,  
just think of her as resting from the sorrow  
and the tears in a place of warmth and  
comfort,  
where there are no days or years,  
think how she must be wishing that we  
could know today, how  
nothing but our sadness can really  
pass away and think of her as living in the  
hearts of those she touched for nothing  
loved is never lost and she was loved so  
much.*
