OPENING WORDS

POEM

A Tribute To Dad
read by son, Gary

Who is that man with the gentle face
Who in his youth kept a hectic pace
To provide for his family all that he could
Who is that man so giving and good

He never looked for praises
He was never one to boast
He just went on quietly working
For the ones he loved the most

His dreams were seldom spoken
His wants were very few
And most of the time his worries
Went unspoken too

Who is that man with the ready smile
Who always took time to sit for a while
He was there when his family needed him there
Who is that man with the grey in his hair

He was there a firm foundation
Through all our storms in life
A loving husband and father
Devoted to family and wife

Who is that man who encouraged us all
And helped us up when we took a fall
Spending a lifetime extending his hand
Who is that kind compassionate man

Who is that man who we all adore
The man who these words of devotion are for
I'll tell you with all of the love that I can
Our dad is that truly exceptional man.

TIME OF REFLECTION

The Power Of Love
by Jennifer Rush

POEM

written and read by granddaughter, Natalie

Hello my little flower
Let's have a cup of tea
A gentle smile and high five
That's how he would always greet me

His kind face
And listening ear
The love he gave to everyone
No matter how far or near

His Snow-White hair
And beautiful smile
His soft wool sweater
And word search books all stacked in a pile

He liked the simple things in life
Like relaxing in the sun
Nothing ever bothered granddad
As long as everyone was having fun

He loved going to the pub
A John Smiths went down well
Until he found out the price of beer
He'd reply oh bloody hell

He also loved his football
Manchester United was his team
He followed them all his life
His theatre of dreams

The love of his family
Was the most important to him
I love so unconditional
But his light started to dim

He lost his dear Carol
The love of his life
A beautiful woman
His wonderful wife

But as we reflect on his time
All the beautiful things
Let's remember they're together
And the comfort that brings

He showered us all with love
Throughout his time
Our granddad was an amazing man
I'm honoured he was mine
