ENTRANCE MUSIC  
The Sound Of Silence by Simon and Garfunkel

WORDS OF WELCOME  
To family, loved ones and friends

A wide-angle photograph of a beach at sunset. The sky is a mix of soft pinks, purples, and oranges, with large, fluffy clouds catching the low sun. The sand is a pale, golden color, and a series of footprints leads from the foreground towards the right side of the frame. In the distance, a line of trees marks the edge of a dune.

A TRIBUTE IN VERSE  
Until We Meet Again

Those special memories of you  
will always bring a smile,  
if only I could have you back  
for just a little while.

Then we could sit and talk again,  
just like we used to do.  
You always meant so very much  
and always will do, too.

The fact that you're no longer here  
will always cause me pain,  
but you're forever in my heart,  
until we meet again.

MEMORIES OF TREVOR

MOMENTS OF REFLECTION

Music: My Love by Westlife

THE LORD'S PRAYER

Our Father, who art in heaven, hallowed be Thy name.  
Thy Kingdom come, Thy will be done, on earth as it is in heaven.  
Give us this day our daily bread. And forgive us our trespasses,  
as we forgive those who trespass against us.  
And lead us not into temptation, but deliver us from evil.  
For Thine is the Kingdom, the power and the glory,  
for ever and ever. Amen.

A READING  
In Loving Memory Of Dad

You held my hand when I was small,  
you caught me when I fell,  
the hero of my childhood  
and of latter years as well.

Every time I think of you,  
my heart just fills with pride,  
and though I'll always miss you, Dad,  
I know you're by my side.

In laughter and in sorrow,  
in sunshine and in rain,  
I know you're watching over me,  
until we meet again.

A wide, sandy beach at sunset. The sky is a mix of soft pinks, purples, and oranges, with large, fluffy clouds catching the low sun. In the background, a line of trees sits atop a sand dune. The foreground is dominated by the texture of the sand, with a series of footprints leading away from the viewer towards the right side of the frame.
