Let Me Go

by Christina Rosselli

When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?

Miss me a little, but not for long
And not with your head bowed low
Remember the love that once we shared
Miss me, but let me go.

For this is a journey we all must take
And each must go alone.
It's all part of the master plan
A step on the road to home.

When you are lonely and sick at heart
Go to the friends we know.
Laugh at all the things we used to do
Miss me, but let me go.

The family would like to thank you all for attending today and for all your kind words of sympathy and support during this sad time.

You are also warmly invited to join them for refreshments and to share memories at
