## Poem

You've just walked on ahead of me.  
I've got to understand.  
I must release my lovely child.  
And let go of your hand.  
I'll try to cope the best I can.  
I'm missing you so much.  
If I could only be with you.  
See your smile and feel your touch.  
You just walked on ahead of me.  
Don't worry I'll be fine.  
I'll stay here thinking of you.  
And join you when it's time.  
Then we will be together.  
For ever and a day.  
And relive all the good times.  
We had back in our day...

Missing you xxx

## Poem

The shock, the pain, the grief  
We mourn you angel in disbelief  
An unrivalled ability to make a mess  
One of the many ways you'd make me stress  
I would take any of those stresses right now  
For you to be by my side again somehow  
Funny, charismatic and loud  
You have no idea how you made me proud  
The best mother a son could get  
Nothing I asked would make you fret  
Oh how those granddaughters will miss you  
They needed you as much as I did too  
What a fan club you have in the NHS  
The canular queen reduced the stress  
We shed many tears here today  
Your loss such a heavy price to pay  
I know you would like us to celebrate  
Total despair you would certainly hate  
My heart is filled with sadness and pride  
Behind you I can no longer hide  
Until the end determined and brave  
What a fight you certainly gave  
You are at peace now my darling mum  
I'll join you again when it's my time to come  
All of us here forever grateful  
Sleep well in heaven my beautiful angel.
