## POEM

### Rainbows

chosen by Charlotte

read by Jack, Charlotte and William

Time for me to go now, I won't say goodbye;  
Look for me in rainbows, way up in the sky.  
In the morning sunrise, when all the world is new,  
Just look for me and love me, as you know I loved you.

Time for me to leave you, I won't say goodbye;  
Look for me in rainbows, high up in the sky.  
In the evening sunset, when all the world is through,  
Just look for me and love me, and I'll be close to you.

It won't be forever, the day will come and then  
My loving arms will hold you, when we meet again.

Time for us to part now, we won't say goodbye;  
Look for me in rainbows, shining in the sky.  
Every waking moment, and all your whole life through,  
Just look for me and love me, as you know I loved you.

Just wish me to be near you,  
And I'll be there with you.

## MUSIC

All Is Found song from *Frozen*  
music recorded and played by Katie and sung live by Olivia

Where the north wind meets the sea  
There's a river full of memory.  
Sleep, my darling, safe and sound,  
For in the river, all is found.  
In her waters, deep and true,  
Lie her answers and a path for you.  
Dive down deep into her sound,  
But not too far or you'll be drowned.  
Yes, she'll sing to those who'll hear  
And in her song all magic flows,  
But can you brave what you most fear?  
Can you face what the river knows?  
Where the north wind meets the sea,  
there's a mother full of memory.  
Come, my darling, homeward bound,  
when all is lost, but all is found.
