Tribute

to John

A serene beach scene at sunset. The sky is filled with soft, golden light and scattered clouds. The sun is low on the horizon, casting a warm glow over the entire scene. The ocean waves are gently lapping at the shore. A path of footprints leads from the foreground towards the water's edge. The overall mood is peaceful and reflective.

Homage and Last Post

They shall grow not old, as we that are left grow old:
Age shall not weary them, nor do the years condemn.
At the going down of the sun and in the morning
We will remember them.

**Response: We will remember them.
When you go home, tell them of us and say -
For your tomorrow we gave our today.**
