Welcome and opening words

Reading: She Is Gone by David Harkins

You can shed tears that she is gone,

Or you can smile because she has lived.

You can close your eyes and pray that she will come back,

Or you can open your eyes and see all that she has left.

Your heart can be empty because you can't see her,

Or you can be full of the love that you shared.

You can turn back on tomorrow and live yesterday,

Or you can be happy for tomorrow because of yesterday.

You can remember her and only that she is gone,

Or you can cherish her memory and let it live on.

You can cry and close your mind, be empty and turn your back,

Or you can do what she would want: smile, open your eyes, love and
go on.

Closing Words

My Mother's Garden— Author Unknown

My Mother kept a garden.
A garden of the heart;
She planted all the good things,
That gave my life it's start.

She turned me to the sunshine,
And encouraged me to dream:
Fostering and nurturing
The seeds of self-esteem.

And when the winds and rains came,
She protected me enough;
But not too much, she knew I'd need
To stand up strong and tough.

Her constant good example,
Always taught me right from wrong;
Markers for my pathway
To last my whole life long.

I am my Mother's garden,
I am her legacy.
And I hope today she feels the love,
Reflected back from me.

Eulogy

Poem: Mum

As I send this message to you, my heart fills with love.

I know you are always with me, as you watch from the heavens
above.

Mum, I miss you more than words can explain.

I hope that one day we will be together, in each other's company
once again.

I miss that smile and your loving heart,

My world feels torn as it seems we are far apart.

You were the bravest woman I knew,

You fought like a true fighter so determined to pull through.

Mum, you are my inspiration to be strong.

Your memory remains safe in my heart where it will always belong.

As you closed your eyes to go to sleep,

You left your love and memories for us to keep.

Poem: Missing You Nan

Nothing is quite the same,
Without your gentle touch.

And we just miss you Nan,

So very, very much.

We realise how much you meant,

Now that you are not here.

But every lesson that you taught,

Helps to keep you near,

You lived life to the fullest, Nan.

Each day your whole life through.

And with your inspiration,

We promise we will too.

Love always

Jamie, Luke, Shane, Olivia, Jake and Theo.
