

To Celebrate the Life of

JOHN McCANN

29th September 1958 - 12th June 2023

Amber Valley Crematorium
Monday 3rd July 2023 at 1.00 pm

The background of the entire page is a photograph of a beach at sunset. The sky is filled with soft, golden clouds, and the sun is low on the horizon, casting a warm glow over the scene. The ocean waves are breaking gently onto a sandy beach, with white foam visible. The overall mood is peaceful and nostalgic.

The Heart Of Bonnie Scotland

Lyrics by John McCann

Music arrangement by Nick McCann

The time has come for you to leave, and here we must abide,
The pain that comes with losing you cuts through each tear I've cried.
Though you now face a journey that you make on your own,
Wherever you may travel, you'll never be alone.

*May the winds of bonnie Scotland take you safely where ye go,
May the saltire be your shelter through the rain, the storm and snow,
May the voice of bonnie Scotland help us hear you when you call,
And the heart of bonnie Scotland keep your memory with us all.*

Once more, we've had to gather to say our last farewell,
Whether time will heal the heartbreak, none of us can tell.
Our hearts are filled with sorrow and dark clouds they fill the air,
The chain we were a part of is now broke beyond repair.
May the winds of bonnie Scotland...

I know I wasn't with you while you suffered so much pain,
Just change the past and I'd never make the same mistake again.
But no matter how apart we are, I know deep inside
Someday we'll stand together on the banks of the Clyde.
May the winds of bonnie Scotland...

May the winds of bonnie Scotland take you safely where ye go,
May the saltire be your shelter through the rain, the storm and snow,
May the voice of bonnie Scotland help us hear you when you call,
And the heart of bonnie Scotland keep your memory with us all.

A serene sunset over a beach. The sun is low on the horizon, casting a warm, golden glow across the sky and the water. The sky is filled with soft, white and pinkish clouds. The ocean waves are breaking gently onto the sandy beach, creating a rhythmic pattern of white foam and blue-green water. The sand in the foreground is smooth and light-colored, with some faint tracks or patterns visible.
