OPENING WORDS

TRIBUTE

written with memories from family and friends

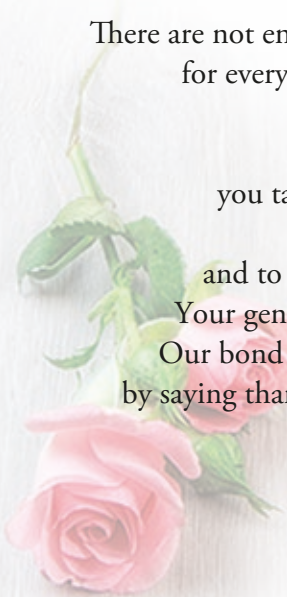

POEM

from Kevin

There are not enough words to express all the love and thanks you deserve
for everything you have done, the time that you have given
and for being the amazing mum you are.

With patience and kindness,
you taught me how to laugh through the good times,
be strong through the hard times,
and to love with all my heart just like you do every day.

Your generous heart has always filled life with so much love.
Our bond is strong and special and I want to celebrate it today
by saying thank you, and wishing you all the happiness in the world.

COMMITTAL AND CLOSING WORDS

CLOSING POEM
This Heritage

She is not dead, she who leaves us this great heritage of remembered joy.
She still lives in our hearts, in the happiness we knew, in the dreams we shared.
She still breathes in the lingering fragrance, windblown, from his favourite flowers.
She still smiles in the moonlight's silver and laughs in the sunlight's gold.
She still moves, in the rhythm of waving grasses
and in the dance of the tossing branches. She is not dead.
Her memory is warm in our hearts, comfort in our sorrow.
She is not apart from us but is a part of us. For love is eternal and
those we love shall be with us throughout all eternity.
