CLOSING MUSIC
She's A Lady by Tom Jones

A wide-angle photograph of a beach at sunset. The sun is low on the horizon, casting a warm, golden glow over the sky and the water. The sky is filled with soft, white and pinkish clouds. The ocean waves are gentle, with white foam washing onto the shore. The sand is a light, golden color, and there are several footprints visible in the foreground, leading towards the water. The overall mood is peaceful and contemplative.

CLOSING POEM

You can shed tears that she is gone,
Or you can smile because she has lived.
You can close your eyes and pray that she'll come back,
Or you can open your eyes and see all she's left.
Your heart can be empty because you can't see her,
Or you can be full of the love you shared.
You can turn your back on tomorrow and live yesterday,
Or you can be happy for tomorrow because of yesterday.
You can remember her and only that she's gone,
Or you can cherish her memory and let it live on.
You can cry and close your mind, be empty and turn your back,
Or you can do what she'd want: smile, open your eyes, love and go on.

COMMITTAL

The wonder of the world,
The beauty and the power,
The shapes of things,
Their colours, lights and shades;
These I saw.
Look ye also
While life lasts.
