## FAREWELL

Wasn't Meant To Be Alone - Kymeesha Dickens

Together we have travelled along the road of life,  
A bond of love has held us, a husband and a wife.

I remember on our wedding day, I gave you my hand,  
With joy and happiness, we both looked forward to the life we had planned.

We said in sickness and in health we'd always be together,  
Through thick and thin and in every kind of weather.

Days were not always sunny nor dry  
But even in the stormy times I knew you were always there.

Our love grew stronger every day with lots of joyful times,  
We grew together as a unit that nothing could destroy.

How quickly the years have passed like the blink of an eye,  
We did not think about the times when one of us would die.

So when the time came for Tash to take her final breath,  
Part of me went with you through the gateway into death.

Wouldn't stay without you, couldn't bear to be apart,  
We shared so much together, we shared a beating heart.

Now that I must follow you, I know we'll meet again,  
As finally the links re-joined with our ever-loving chain.

The sting of death has been removed, there is no fear for me,  
We are now together again and our spirits are set free.

So, our loved ones will now miss us and tears will gently flow  
But I hope it gives them comfort and this I hope they know:

I'm back here now together with Tash, the one I did adore,  
Holding her close to me now and for evermore.
