Grief

Grief, I've learned, is really just love.  
It's all the love you want to give, but cannot.  
All that unspent love gathers up in the corners of your eyes,  
The lump in your throat, and in that hollow part of your chest.  
Grief is just love with no place to go.

A misty forest scene with trees covered in golden autumn leaves. The atmosphere is soft and ethereal, with a light blue and white mist filling the background. The trees are silhouetted against the mist, and the ground is covered in fallen leaves.

POEM

Remember With A Smile Today

Remember Sam with a smile today, he was not one for tears.

Reflect instead on memories ... of all the happy years.

Recall to mind the way he spoke - and all the things he said;

His strength, his stance, the way he walked ... remember these instead.

The good advice he'd give us - his eyes that shone with laughter;

So much of him will never die ... but live on ever after.

As we who loved you, so we miss you, in our memory you are near.

Loved, remembered, longed for always, bringing many a silent tear.
