## WELCOME AND INTRODUCTION

### POEM

The Bond Of Love

I know that you're still with me, especially today,  
Because we shared a closeness even death can't take away!  
Sometimes when I'm wishing that you'd send a little sign,  
A butterfly, or rainbow, lets me know you're doing fine.  
When a pure white feather drifts down softly from the sky,  
I know you're trying to say that you don't want me to cry,  
For there must be a reason why Angels took you home  
And you have found a way to let me know I'm not alone.  
For there's a special golden thread, from here to Heaven above,  
That keeps me ever close to you...  
It's called "The Bond of Love!"

### POEM

Goodbye Grandma

So heaven has received another angel,  
The night sky another star.  
Your life has become a loving memory,  
We know you will never be far.  
We know you are watching over us,  
As our lives go on.  
We will treasure the memories we have of you,  
We can't believe you're gone.  
You were a loving, caring grandma,  
You were there for us a lot.  
You will always hold a place in our hearts,  
A loving treasured spot.  
You were really one in a million,  
A cut above the rest.  
All that knew you would agree,  
You simply were the best.  
So Grandma, we will say goodbye;  
We love and miss you with all our hearts,  
But as long as we have our loving memories,  
We will never be too far apart!
