## Hymn

'Abide With Me'

Abide with me: fast falls the eventide;  
the darkness deepens; Lord, with me abide.  
When other helpers fail and comforts flee,  
Help of the helpless, O abide with me.

Swift to its close ebbs out life's little day;  
earth's joys grow dim, its glories pass away.  
Change and decay in all around I see.  
O thou who changest not, abide with me.

I need thy presence every passing hour.  
What but thy grace can foil the tempter's power?  
Who like thyself my guide and strength can be?  
Through cloud and sunshine, O abide with me.

I fear no foe with thee at hand to bless,  
ills have no weight, and tears no bitterness.  
Where is death's sting? Where, grave, thy victory?  
I triumph still, if thou abide with me.

Hold thou thy cross before my closing eyes.  
Shine through the gloom and point me to the skies.  
Heaven's morning breaks and earth's vain shadows flee;  
in life, in death, O Lord, abide with me.

*'Look For Me In Rainbows'*

Time for me to go now; I won't say goodbye  
Look for me in rainbows, way up in the sky  
In the morning sunrise when all the world is new  
Just look for me and love me, as you know I love you

Time for me to leave you; I won't say goodbye  
Look for me in rainbows, high up in the sky  
In the evening sunset, when all the world is through  
Just look for me and love me and I'll be close to you  
It won't be forever, the day will come and then  
My loving arms will hold you when we meet again

Time for us to part now, we won't say goodbye  
Look for me in rainbows, shining in the sky  
Every waking moment and all your whole life through  
Just look for me and love me as you know I love you

Just wish me to be near you  
And I'll be there with you
