Remember Me

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter
We've shared throughout the years.
Now I am contented
That my life it was worthwhile,
Knowing as I passed along the way,
I made somebody smile.

When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps
Only half a step behind.
So please don't be unhappy
Just because I'm out of sight,
Remember that I'm with you
Each morning, noon and night.

You Are Not Alone
Michael Jackson

*I am unbelievably lucky to have you in my life.
I think the sweetest thing that can happen to anyone is to meet
that one special person who make you feel like you're living in
a dream come true. That's what this is like for me.*

*It's like that with every smile, every touch, every memory we
make. When almost every day we have together is the kind you
don't want to end... that's when you know. That's when love is
real, and it's when you realise what a treasure you're holding
on to. Every time we're together, just doing all the things that
lovers and best friends and dreamers do, I keep falling in love
with you... over and over again.*

*I could spend forever doing this... and I hope you know
how thankful I am for all the incredibly precious things
you bring to my life.*
