Reading

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter
We've shared throughout the years.
Now I am contented,
That my life was all worthwhile,
Knowing that I passed along
The way to make someone smile.
When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps
Only half a step behind.
So please don't be unhappy
Just because I'm out of sight,
Remember I am with you
Each morning, noon and night.
