His Journey's Just Begun

Don't think of him as gone away
his journey's just begun,
life holds so many facets
this earth is only one.

Just think of him as resting
from the sorrows and the tears
in a place of warmth and comfort
where there are no days and years.

Think how he must be wishing
that we could know today
how nothing but our sadness
can really pass away.

And think of him as living
in the hearts of those he touched...
for nothing loved is ever lost
and he was loved so much.

The family would like to thank everyone for their wonderful support and kind wishes.

...

We also request that rather than flowers, it would be fitting to help support Nottinghamshire Hospice.

If you do wish to make a donation, and as cash unfortunately can't be collected at the service, please do so by visiting:

...

Due to current circumstances we will be deferring having a wake until such time that we can all get together safely.
