OPENING WORDS

POEM

Smile

Smiling is infectious, you catch it like the flu;
When someone smiled at me today, I started smiling too.
I walked around the corner and someone saw me grin,
When he smiled I realised I had passed it on to him.

I thought about the smile and then realised its worth;
A single smile, like mine, could travel round the earth.
So, if you feel a smile begin, don't leave it undetected,
Start an epidemic and get the world infected!

POEM

One Final Goodbye

Oh dear, if you're hearing this right now,
I must have given up the ghost.
I hope you can forgive me for being
Such a quiet and unwelcoming host.

Just talk amongst yourselves my friends
And share a toast or two,
For I am sure you will remember well
How I loved to drink with you.

Thank you for coming,
I'm so glad that you're here.
We've got one last goodbye
For me and those I hold dear.

You might find it hard, unfair or sad,
But I see it as a chance
To reminisce about what we've had.
It's not the end when we die,
But one last chance to say a final goodbye.

THE LORD'S PRAYER

Our Father, who art in heaven,
hallowed be Thy name.
Thy Kingdom come; Thy will be done,
on earth as it is in heaven.
Give us this day our daily bread.
And forgive us our trespasses,
as we forgive those who trespass against us.
And lead us not into temptation
but deliver us from evil.
For Thine is the Kingdom,
the power, and the glory,
for ever and ever.
Amen.
