The family wish to thank everyone for their kind thoughts, and happy memories of Tina. These have been a source of comfort when dealing with their tragic loss.

Thank you to her work colleagues for the bench in her memory, which will be situated in the grounds at Musgrove Park Hospital, Taunton, where she was a Midwife for many years.

Gone From My Sight

I am standing upon the seashore.

A ship at my side,
spreads her white sails to the moving breeze.

She is an object of beauty and strength.

I stand and watch her until, at length,
she hangs like a speck of white cloud just where the sea
and sky come to mingle with each other

Then someone at my side says 'There, she is gone'

Gone where?

Gone from my sight. That is all.

She is just as large in mast, hull and spar as she was
when she left my side.

And, she is just as able to bear her load of living freight
to her destined port.

Her diminished size is in me- not in her.

And, just at the moment when someone says,

'There she is gone'

There are other eyes watching her coming, and other
voices ready to take up the glad shout,

'Here she comes!'

This Woman's Work - Kate Bush

Give me these moments back
Give them back to me
Give me that little kiss
Give me your hand
I should be crying, but I just can't let it show
I should be hoping, but I can't stop thinking
Of all the things we should've said
That we never said
All the things we should've done
Though we never did
All the things that you needed from me
All the things that you wanted for me
All the things that I should've given
But I didn't
Oh, darling, make it go away

Tina had a very full and varied life. She was a student nurse at University Hospital in Nottingham, before diversifying into Midwifery at Nottingham School of Midwifery. She was a Junior Midwife at City Hospital before going to the National Women's Hospital in Auckland, New Zealand. She then worked in King Fahad Armed Forces Military Hospital in Saudi Arabia, before finally settling in Taunton, Somerset with her beloved dog Merlin, working at Musgrove Park Hospital in Taunton. Due to her 40 years experience, her attention to detail, and the regal way she walked, she was affectionately known by colleagues as The Duchess.

Tina was quirky, had a silly sense of humour, would do anything for anyone. She was supportive and always amazing company. She loved music, concerts, walking, watching films, theatre and comedy.
We will miss her a lifetime.

No need to laugh and cry. It's a Wonderful, Wonderful Life

Christina Margaret Poyle

Tina

She was a much loved daughter to Jack and Margaret, Sister to Kim and Richard, and Auntie to Gemma, Mark, Jude, Paisley, and Max. She had many close friends and colleagues all over the world. and was particularly close to Lis and Wendy who is sadly also no longer with us.
